presents ...

OPEN SOURCE MUSIC

NEXUS
CHALLENGE

The Challenge

Make a musical track:

- using Open Source Software
- including a „real" recording
- *homage* or a *pastiche*

The Organizers

- Open Source Audio Meeting Cologne (OSAMC)
- Actual organizing & website: Christopher Arndt

Timeframe

Submission period: 19.9 – 19.10.2019

Voting period: 20.10 – 26.10.2019

Voting

- Voting free to everyone
- Participants must vote
- Can't vote for their own entry
- 5 points for favorite track, 4 points for second favorite, and so on …
- Entry with most points wins

Prizes

Samuel Aubert, from *Tonstudio Tübingen*, is sponsoring free mastering for the winners of the challenge:

- First place: *3 songs mastered!*
- Second place: *2 songs mastered*
- Third place: *1 song mastered*

The Results

- Eight submissions
- Very stylistically diverse
- 26 voters
- 89 – 26 points per track

Third Place

„Rainbow Brain"

by

die muckis des jindrich ... by chance to tliwosc	2	1	32
Hey Mister Mixer by Maple Dye	1	1	26
No deep fake by cubic elements	1	0	26

Points

The Future

- Results will be on the website later today (tonight): https://nexus-challenge.osamc.de/results/
- There will be a new challenge in 2020
- Maybe even earlier than Sep. / Oct. (not sure)
- Theme to be decided (but different)
- Better marketing
- Website improvements

See you for the next challenge

in 2020 ...
